DotEightPlus
...building businesses web confidence

Hi there!

We are DotEightPlus. A tech-hub committed towards building online campus solutions and also sharing our skill sets to ensure that businesses have a perfect web confidence online.

SCHOOL MANAGEMENT SYSTEM SOFTWARE

COVID-19 taught us that any business that isn't online isn`t a business for the 21st Century.

At DotEightPlus, we`ve have driven out some solutions that will make your school stand out from the crowd, giving your school the perfect web confidence she deserves.

Our School Management Systems is being designed with *Schools-Owners-In-Mind,* so as to ensure that their school is uniquely identified hereby increasing more customers and getting school work done easier and faster.

As a bonus, we will be giving a free 5-page website for 2-year for any of the school system software purchased.
